Acknowledgement of Country

We acknowledge the Wodi Wodi people on Dharawal Country as the traditional custodians of the land on which we work, live and play.

We are committed to honouring Australian Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual connections to the land, waters and seas and recognise their continuous relationship to Country, community and culture. We pay our respects to Elders past, present and emerging.

Always was, always will be.

The Wodi Wodi are the First Nations custodians of the Illawarra region, including Kiama and surrounding areas. The Wodi Wodi are Dharawal language speakers, and their country extends from Botany Bay in the north, to Campbelltown and Moss Vale in the west, and as far south as the Shoalhaven River and Jervis Bay.

Dharawal people travelled throughout the region, depending on the season and their purpose. They cared for country, and harvested only what was needed, and they sometimes met with and exchanged food, materials and artefacts with people from other language groups - fish, oysters, water fowl, mutton fish (abalone), grubs and ochre were particularly important and valuable.

Try introducing yourself in the Dharawal language:

Nagangbi ngayagang (your name) = Hello I am
Nganung njindigang = Who are you?
Nandawanjini = See you later

Dharawal Seasons

Burran (hot and dry)	January - March
Marrai'gang (wet becoming cool)	April – June
Burrugin (cold and frosty)	June – July
Wiritjiribin (cold and windy)	July - August
Ngoonungi (cool becoming warm)	September – October
Parra'dowee (warm and wet)	November – December

The middens lining the riverbank of the Minnamurra River are evidence of how the river was harvested for fish and shellfish over millennia, and midden sites can also be found at Bass Point, Minnamurra Point, Gerroa and Gerringong.

Our original storytellers.

Traditional stories tell of the Wodi Wodi's journey in canoes from the north to the mouth of Lake Illawarra, in the time when the Spiritual Ancestors were animals (we call them totems today). They brought with them the sacred Dharawal (cabbage tree palm) - which still feature's in our local landscape today.

Baiame is the sacred sky-hero who led the Wodi Wodi to their country, formed the natural features of the land, and gave them their social laws and rites. Totems of the Wodi Wodi include the magpie, lyrebird, pelican, satin bowerbird, red-bellied blacksnake, and lace monitor, and these form the heart of culture, and how the people relate to, care for and manage the land.

Welcome

I might be biased, but I'm pretty sure I live and work in the best place on earth.

From our volcanic soil springs the vibrant green of dairy fields and remnant rainforest, which is in stark contrast to the golden sands and rolling waves of the Pacific Ocean. You can surf, cycle, swim, canoe, walk, ride, wine, dine, or motor through your exploration of the area, and if you're lucky you'll even catch sight of humpback whales as they make their annual pilgrimage to and from warmer waters.

Whatever you're looking for action and adventure or stillness and solitude, you're sure to find it here.

I am excited for you to experience all the things that I think make Kiama so very special, and then find a few favourites of your own.

Beginning at the mouth of the Minnamurra River and heading south, **you'll find some of the region's most unbelievable natural landscapes**. Arriving at Bombo Headland and Cathedral Rocks might feel like you've landed on the moon, but you're still earthbound (we promise). There's a reason this part of our coastline is loved by photographers and film directors alike, **it's truly unlike anywhere else**. See page 62 for the insta-lineup.

Take things at your own pace here.

At Minnamurra, the **sheltered waterways where the river meets the ocean are ideal for swimming, kayaking, paddle boarding and fishing**. Head on up to the Minnamurra Headland whale-watching platform for seasonal sightings of these majestic creatures, and great views year-round. Enjoy the greens of the local golf course, take to the surf at popular beaches, or **set off on the iconic Kiama Coast Walk**.

Gerringong & Gerroa

With surf as far as the eye can see, rolling hills and ocean pools, the twin towns of Gerringong and Gerroa deal exclusively in **laid-back lunches, wonderous walks and glamorous getaways**.

In Gerringong, **enjoy views over Werri Beach** from cafes and restaurants with cult followings, meander through galleries and boutique shops, or enjoy fun for the whole family at beaches, parks and pools.

Gerringong is the southern extremity of the Kiama Coast Walk, so take off those hiking boots and put your feet up for a while. **You won't want to leave**.

To the south, Gerroa is a gem atop the golden crown of Seven Mile Beach National Park, a favourite destination for families, swimmers, windsurfers and surfers, and a top-notch spot for **braving those surf breaks for the first time**.

📍 GERRINGONG

Jamberoo

Whether you're looking for quaint winding lanes, boundless character and country hospitality, wonderful wildlife, or an adrenalin fix, **you'll find it here**.

Jamberoo is just a short drive inland from our picturesque coastline, but feels a world away. A refreshing mix of **rolling rural hills, lush rainforest and the rush of heart-racing attractions**.

Feel the spray of lively waterfalls on a visit to Minnamurra Rainforest's boardwalks, or get your heart racing on immense water slides and rides at the iconic Jamberoo Action Park.

Lace up your hiking boots and hit the trails, with beautiful walking tracks, secluded swimming holes, National Parks, and an abundance of wildlife to discover. Drive along country roads adorned by hedges, hills and dairy-cow dotted fields. Or take to the heights, for treetop walking and ziplining.

When it's time to refuel, **head to one of the picture-ready picnic spots**, or visit the local pub to debrief over home-cooked meals.

Kiama

Kiama has graduated from sleepy-seaside-town to happening-regional-hub in recent years. A long-time stopover for weary travellers and day-trippers, it's a destination in its own right and **the perfect base for exploring our region**.

Start with a visit to the Blowhole, where nature puts on a show of varying magnitudes - from a whisper to a roar. Here, you'll understand why Kiama was known as 'where the sea makes a noise' by its traditional custodians – the Wodi Wodi people.

Throughout the year you'll find festivals and markets on the charming foreshore, just a short walk from the bustling main street packed with eateries specialising in local produce, hip bars, comfy cafes, traditional pubs, and ice-creameries.

Browse the local shops, full of beautifully sourced treasures, relax in the park, hit the beach, take in harbourside stroll or explore the local heritage.

Not sure where to begin? The Visitor Information Centre on Blowhole Point near the Lighthouse is a safe bet.

History & heritage

Beyond the holiday nostalgia, the Kiama region has a rich past - with stories around every corner, just waiting to be told...

Before European settlers, the Wodi Wodi were the first to call the area home, with a nomadic way of life that followed the trail of food throughout the seasons, thanks to an abundance of native flora and fauna, seafood and freshwater.

In 1797, George Bass was the first European to spot Kiama from his ship, sailing by Blowhole Point and describing hearing the sea rushing through the rocks with 'the most tremendous noise'.

In the 19th Century, convicts and ticket of leave men were used as cedar cutters, felling the timber from the local Red Cedar forests to be transported to Sydney to feed the building industry's insatiable appetite. Soon after, the rich basalt of the coast was also mined, bringing more people and trade to the area.

What started as an idyllic oasis of lush rainforest vegetation and bountiful seas for the local Wodi Wodi people, eventually became a bustling transport and agricultural hub, with Kiama's harbour and links to the highlands making it an ideal junction for industry and farming.

Let the light shine

Kiama Lighthouse is an iconic part of our townscape, located on Blowhole Point and rising 36.5 metres above sea level. Established in 1887, it was an essential beacon for sailors along our coast, and still stands proudly today.

The lighthouse isn't open to the public, but you can find out more about its history at the **Pilot's Cottage Museum**, also located on Blowhole Point. Open on weekends and run by volunteers, here you'll learn about the region's land and maritime history, and get a glimpse of the artefacts from our past.

Step back in time

Take a walking tour of our town's historic sites with the Kiama Historic Walk which maps and highlights key pieces of local history. Grab a copy of the map from the Visitor Information Centre, or download one of the free digital walking tours available via the Kiama Library. For a truly immersive historical experience, time your visit with the steam train and discover the romance of train travel from days gone by.

A-stone-ishing walls

The hills and valleys surrounding Kiama are criss-crossed by nearly 400 heritage-listed, hand-built dry stone walls, many of them crafted by Thomas Newing from local volcanic stone over a period of 60 years (1860s-1920s). As the area was cleared for farming and livestock, these traditional stone walls were built in the style of those found across Britain.

Local legends: Sally Fitzgibbons

We caught up with Pro Surfer Sally Fitzgibbons, who grew up in our region and still calls it home.

Tell us about your love for the Kiama region?

I just love coming home here - it's my anchor. I'm so often travelling the world far and wide, but my heart feels connected to this place, and I'm so fortunate to have grown up here. I loved earning my surfing stripes on the amazing local surf beaches.

What are your favourite things to do when you're home?

Obviously heading out on the waves - sometimes I meet local young groms, other times it's tourists who are so excited to be here.

I also love running on the local tracks - the Kiama Coast Walk is stunning, and so are the national parks and Minnamurra Rainforest. From early mornings to after dark, there are so many opportunities to spot local wildlife too.

SALLY, IN ACTION

What's your recommendation for first-time visitors?

Get out there and try something new! If you're keen to try surfing, there are some great local surf schools, or even just head to a local patrolled beach and feel that connection to the land and water.

Put on your hiking boots and check out the trails. Hinterland or coast, we've got the best of both worlds.

Any good surf spots for beginners?

For me, the whole region is an absolute paradise and playground when it comes to waves. Obviously, I can access the more experienced breaks, but if you're starting out there are plenty of great nooks and crannies. Shallow sand banks are great for younger kids or adult learners. Stick to the patrolled beaches and ask the lifeguards for any advice on rips so you know what's happening.

Mid beach at Jones' Beach and the northern end of Bombo beach are great. I learnt to surf at the river mouth at Gerroa, so it's always got a special place in my heart.

What about favourite spots on land?

Kiama is a great place to explore, starting at the blowhole where you can look out to the horizon for dolphins, whales, sea eagles and seals - the locals who join me in my daily surfing when I am home. Then wander down to the ocean pools or explore the town. Let the day take you where it takes you, be open to seeing what you find.

The area is home to some of the best coffee shops, restaurants and wineries - keep it casual or dress up - anything goes here. There's a great range of coffee shops to try, many that share some of our amazing local organic produce, so make sure you get amongst it.

Visit the local markets, enjoy the sunshine - you'll be greeted by nothing but smiles and good times. You're always welcome here.

From spectacular landscapes and iconic walking trails, to native wildlife and breathtaking natural displays, nature's wonders are plentiful here.

Vantage points

The larger (and more famous) Kiama Blowhole is located next to the Lighthouse and Visitor Information Centre on Kiama's Blowhole Point.

With a 2.5 metre opening, it's been recorded at heights of more than 30 metres. Beware, visitors (and their cameras) are often drenched by the giant displays and wild sea spray!

Little Blowhole is smaller, but more consistent, and a well-kept local secret. You can access it via the Kiama Coast Walk or from Tingira Crescent.

Both blowhole locations have parking and are paved with access to the top platform for wheelchairs.

No need for tickets or popcorn, the natural show of Kiama's Blowholes is available daily, and is a must-see for any visitor to the region.

The Blowholes

Sometimes a hum, sometimes a roar, the two Blowholes in Kiama are natural rock formations that interact with the ocean to create impressive and powerful displays.

A lesson in history

The Blowholes started forming around 260 million years ago (that's well before dinosaurs), when basalt lava flowed into the sea, forming these coastal rock formations. Over time, the power of the ocean eroded the softer rock inside the sea caves, creating the holes of the blowholes.

The blowholes were well known by local indigenous tribes, who called the larger blowhole *Khanterinte*, and they're the reason the translation of the name Kiama is "where the sea makes a noise". The first European recording of the blowholes was in 1797, when George Bass sailed past.

How it works

Under the right conditions, big waves force their way into the natural cave formations in the rock, compressing air inside the rear chamber. This compressed air then acts like a drill, powering the incoming waves vertically and forcing water up through the blowhole.

The size and force of the water coming out of the blowholes varies, it's not about tides, it's actually influenced by the sea swell and the wind direction.

Our dramatic coastline

Cathedral Rocks

The towering basalt rock formations at the southern end of Jones' Beach are known as Cathedral Rocks, with their mighty pillars resembling the towering medieval structures of its namesake. A favourite with photographers.

Bombo Headland

The otherworldly pinnacles and shapes of Bombo Headland are a legacy from local mining for blue metal in the 19th and early 20th centuries. Get ready to feel like you're walking on the moon – BYO space suit.

Ocean pools

Our coastline is home to a number of ocean pools, carved out of rockshelves, and influenced by our stunning geology. Bring your swimmers. pack a lunch and your sense of adventure and wade in your own secluded paradise along our coast.

Nature walks & wildlife encounters

Hear the rustle of the wind in the leaves as you're guided by the steady sound of your feet on the earth. Inhale. Exhale. Discover just how great the outdoors can be.

Farm-fresh produce

The Kiama farmers' market is a weekly institution, with fresh from the farm produce and homemade delights available at Coronation Park, next to Surf Beach, every Wednesday. Connect with our local growers and makers over stories of their produce and wares, from fruit and vegetables to milk, cheese, honey, ice cream, Wagyu beef, bread, cakes, and of course, seafood. Stock up for your stay or take home some ready-made meals.

DIY flavours

Want to learn the secret to the perfect sourdough, or discover the magic of simple cheesemaking? Whether you're keen for kombucha or homemade preserves and pickles are more your jam, the hands-on workshops at Buena Vista Farm are your chance to learn new kitchen skills in a stunning setting.

Perfect pairings

Looking for a perfect food and drink combination for an outdoor picnic or a relaxed evening on your holiday terrace? Our region is home to some amazing makers, brewers and bakers, with flavours just waiting to be savoured. Here are some of our favourite pairings.

Fermanagh semi-hard goat's cheese from Buena Vista Farm with Sauvignon Blanc 2020 from Crooked River Wines.

The mellow earthy flavour of this semi-hard goat's cheese from the lovingly reared Buena Vista Farm goats goes well with this bold Sauvignon Blanc, which is lightly perfumed with grassy, herbaceous and citrus aromas.

Rosie cheese from The Pines Kiama with Apple Cider from Stoic Brewing.

Rosie is a new fresh cheese from The Pines Kiama, and is light and silky with a high lactic acidity profile, making it ideal to enjoy with a refreshing fruity apple cider from Stoic Brewing.

Goat's Cheese from Buena Vista Farm with Cabernet Sauvignon BT 2021 from Crooked River Wines.

Tangy soft goat's cheese from Buena Vista Farm is delicious served with this delicate and vibrant Cabernet Sauvignon, which displays blackberry and dark cherry aromas, with vanilla undertones.

📍 THE SHED GERROA

Three Daughters Cheddar from The Pines Kiama with Pale Ale from Stoic Brewing.

This traditionally made mature cheddar captures the intricate flavours of local grass-fed milk herds, and is accompanied beautifully by a medium-bodied Pale Ale with a harmonious blend of tropical fruits from Stoic Brewing.

Wheatley White with sour cherries, blood orange and almonds from Kiama Chocolate Company with 2022 Rosé Frizzante from Coolangatta Estate.

Satisfy your sweet tooth with this grown-up white chocolate from Kiama Chocolate Company, paired with an effervescent Rosé Frizzante from Coolangatta Estate, which balances the sweetness of strawberries and cream with a light sparkle.

Then complete your basket with an Olive & Herb Vienna loaf and a jar of caramelised onion jam from Flour Water Salt bakery in Kiama, and to-die-for danishes from Parfait Patisserie. Delicious!

Jewellery

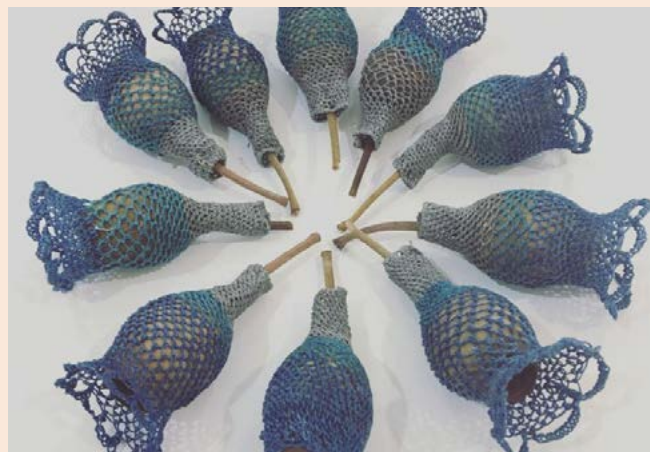

Delight over handmade jewellery and specialty pieces, – whether it's a meaningful gift, a treat to yourself, or just something you can wear close to your heart as you remember sunny days gone by. Creativity abounds along our coastline, so you're sure to be spoilt for choice.

Crafts, books & candles

From arts and craft supplies to the heady-scent of hand-poured candles, and books old and new just waiting to be read, find what you're looking for or happen-upon something special as you browse our craft shops, candle shops and bookshops.

The "bring your own bag" movement is strong in Kiama where single use bags are a thing of the past. Locally made Boomerang Bags are available or bring your own!

Studios & galleries

With wide open spaces, stunning scenery and fresh sea air, it's no wonder artists and creatives are drawn to our area.

From classically beautiful pieces to contemporary works and colourful street art, be prepared to be inspired by the creatives and makers who call our region home. You might even find a one-off piece to take home with you.

Art galleries

Visit the studios of working artists to see their creations up close and personal, or visit one of our many beautifully curated galleries where you'll find breath-taking pieces guaranteed to give you a whole new perspective on our landscapes and people.

Check out galleries and markets in Kiama and Gerringong, visit art-adorned cafes and be sure to stop in at the iconic Old Fire Station Gallery in Kiama - home to a revolving program of exhibitions of all kinds.

Daisy the Decorated Dairy Cow is always being re-adorned with art – kids will love saying hi to her and having a photo at the Old Fire Station.

Outdoor art

We like our art outside here. From the streetscapes of our towns and villages where blank buildings have become canvases for cunning artists, to landmark outdoor sculptures which take inspiration from the surrounding scenery or tell indigenous stories - such as the dreaming poles on the Kiama Coast Walk– your eyes will find something to feast on no matter which way you look.

Photography & ceramics

See landscapes and people through a photographer's lens at our local photography exhibitions and galleries, or rethink the potential of clay at the ceramic studios and galleries of our local makers.

Make your own treasure

There's nothing like that holiday feeling to get your creative juices flowing. Whether you're feeling inspired to put pen to paper, paintbrush to canvas or clay to pottery wheel, you'll find plenty of workshops and classes where you can master new skills and make your own treasure.

Take part in a group class or bring your friends and arrange a custom experience, where memories (and beautiful take home pieces) will be made.

Clay & candles

We have a number of workshops where you can make your own beautifully scented candles and diffusers, or enjoy the therapeutic benefits of calmly creating something from clay. Enjoy mindfully creating something with your hands and trying something new. You might even discover your favourite new hobby.

The artist's way

From 'paint and sip' workshops with wine and nibbles to creative classes for kids and adults, choose your medium of choice and get ready to find a new passion. Whether you're an amateur or an artist, you're sure to find a class to suit your style – from Indigenous inspired designs to colourful canvases.

Creative writing

Are you ready for the words to flow? From short stories to poetry, screenwriting to novels, take part in writing workshops to help your creativity find its way into crafting something special.

Whether you're the next great novelist just waiting to be discovered, or simply want to enjoy the mindfulness of a new creative outlet, head 'write' this way.

LEARN SOMETHING NEW

Check out our ever-growing workshops calendar for fun skills just waiting to be learnt, from painting and pottery to jewellery-making.

Healthy lifestyles

You'll find plenty of ways to move your body (and your mind), whether it's a peaceful paddle, or an invigorating game of tennis or a gentle amble around the golf course. You set the pace.

Relax & recharge

Forget the hustle and bustle of daily life, ditch the early morning alarm, and simply see where the day takes you. This time is yours, and only you know what you need to feel just right. Whether it's a sunrise walk by the ocean, the calm of a floatation pod, or enjoying slow stretches on your yoga mat, you do you.

Stretch and flex

Whether you're yearning for yoga, or powered by pilates, join a class outside or at one of our local studios to find your centre and build your strength. Connect body, mind and soul and awaken your body before taking that new centred clarity into the rest of your (holi)day.

Float away

Defy gravity in a floatation pod, with complete silence and weightlessness - prepare to take relaxation to a whole new level. Or try the infrared sauna, a detoxification and relaxation experience guaranteed to restore your natural equilibrium.

Massage and wellness

Treat yourself to a pampering at one of our local day spas, or melt away the knots and tensions with a massage. Whether you're looking for a solo escape, as a couple or as a group, get ready to feel a million dollars, while enjoying the best locations, treatments and catering on the South Coast.

Coastal therapy

Keep things simple with a walk by the ocean, an early morning swim in one of our ocean pools, or the moving meditation of a paddle board on the river. Getting back to basics in nature is the ultimate reset, whether that's with a heart pumping hike, or simply putting your feet up with a great book (and gorgeous view).

Slow and steady

Whether it's the satisfying 'pock' of a golf club hitting a ball, or the 'thwack' of a tennis racquet meeting its mark, there's something to be said for the softer, leisure sports. They go hand-in hand with out-of-office mode.

Choose your leisurely pursuit and then book it in for your break, knowing you'll have earned that delicious long lunch, or the satisfaction of sharing your very own catch of the day, cooked to perfection and served with a side of 'one that got away' stories.

📍 GERRINGONG GOLF COURSE

Tennis

Grab a partner, BYO balls and racquets, and head to one of the local courts - Kiama's Blowhole Point courts can be booked at our Visitor Information Centre.

Golf

Lush green valleys and coastal cliffs, by foot or by cart, choose your own golfing adventure - from social days out to corporate golf retreats and everything in between. Whether you choose 9 or 18-holes, a refreshing beverage in the clubhouse afterwards is par for the course.

Lawn bowls and croquet

Jamberoo offers a picturesque croquet lawn or enjoy the calm of lawn bowls, with Kiama, Jamberoo and Gerringong all boasting friendly clubs, ideal for a leisurely day on the green. You'll also find some of the coldest beer on the coast, always served with a warm welcome.

📍 BLOWHOLE POINT COURTS

Swimming

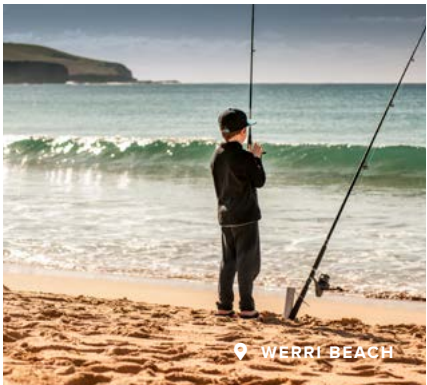

Whether you're a serious lap swimmer, or a gentle paddler, it's best to always pack your swimming costume when you come for a visit. Hit the waves, or take shelter in the ocean pools, or for year-round warm water, the Kiama Leisure Centre is great for the whole family.

On Sundays and select days in the school holidays, the Kiama Leisure Centre's inflatable pool toy is a hit with kids who are confident swimmers. They can climb, jump and leap, it's a sure energy burner - ideal for rainy days!

Fishing

Cast a reel and feel the serenity as you wait for a bite along our scenic shores. From rivers and estuaries, to the wide-open ocean, this is a fisher's paradise. To get a taste of the big blue, take a chartered fishing trip off our coast, and get some expert tips along the way.

Drive touring

Chasing waterfalls

(DRIVING: 2-4 HOURS)

Following the signs for "Tourist Drive 9", head west from Kiama, meandering through rolling dairy country and pick up a coffee, picnic items or a pub lunch in **Jamberoo village**. Continue on and turn off to **Minnamurra Rainforest Centre** – with its excellent accessible-friendly loop track, longer waterfall walk and visitor centre. From here, wind your way up Jamberoo Mountain Road, emerging atop the escarpment with stops at the **Jamberoo Lookout**, **Illawarra Fly Treetop Adventures**, **Carrington Falls** and **Nellies Glen**.

On to Robertson (affectionately known as the 'green heart of the highlands') and from here you can choose to return via Macquarie Pass or continue on an extended loop taking in the magnificent Fitzroy Falls, quaint Kangaroo Valley, grabbing a donut from Berry on the way back to the coast.

Rain supreme

(DRIVING: TAKE YOUR PICK!)

There's no reason rain should dampen your spirits during your stay. For starters, all the outdoor attractions are usually at their best in splashtastic weather – including **Minnamurra Rainforest**, the **blowholes** and many of Kiama's surf spots.

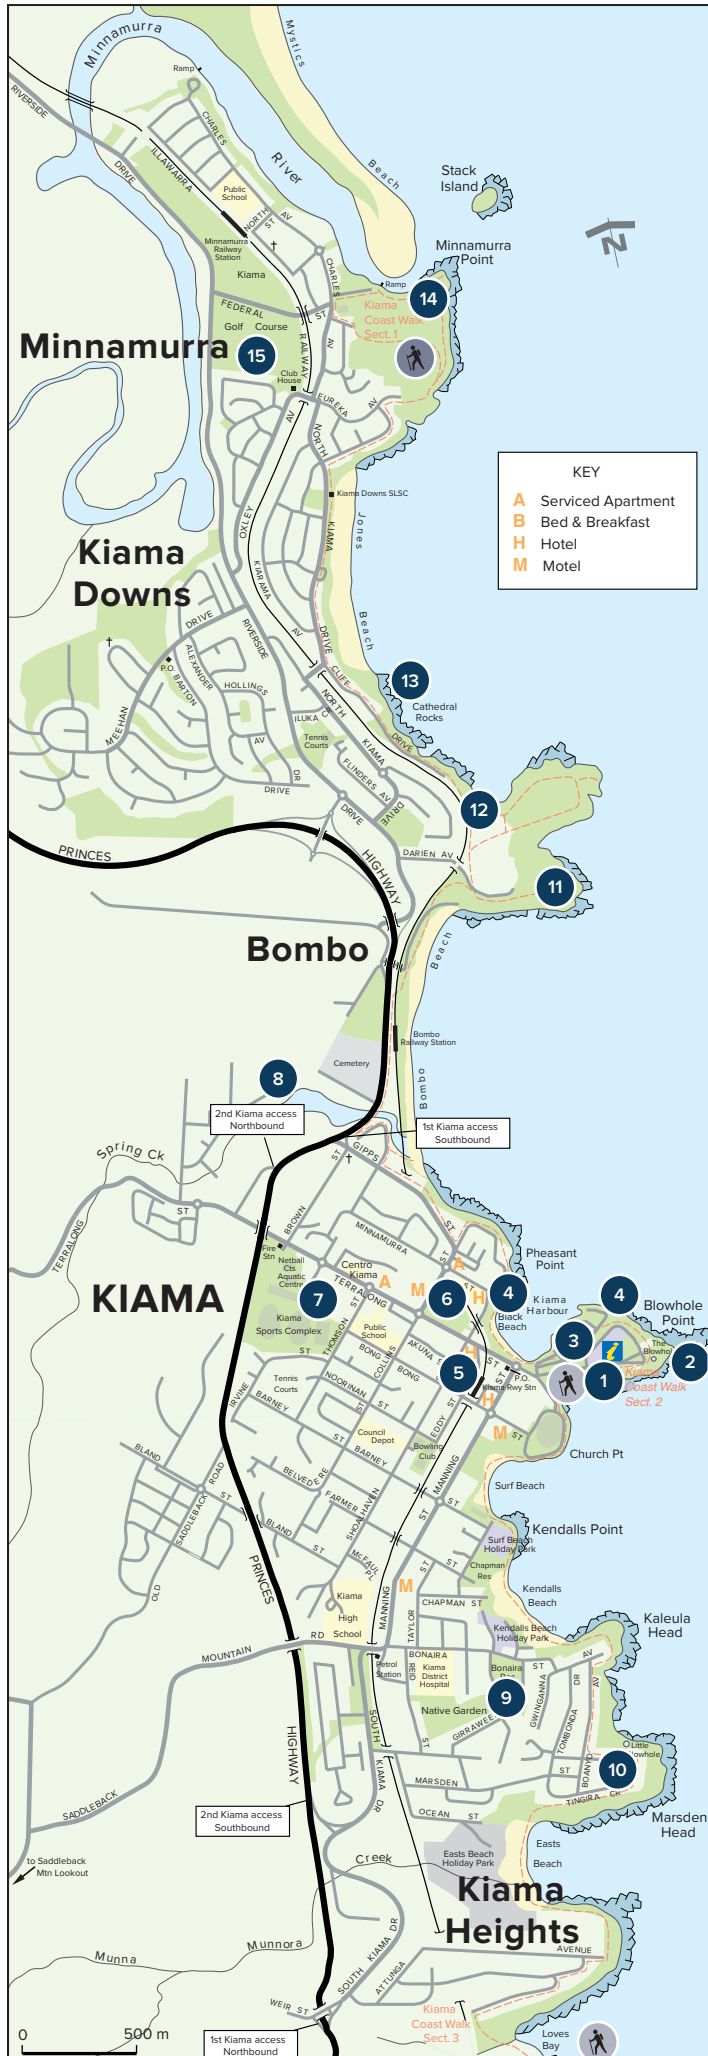

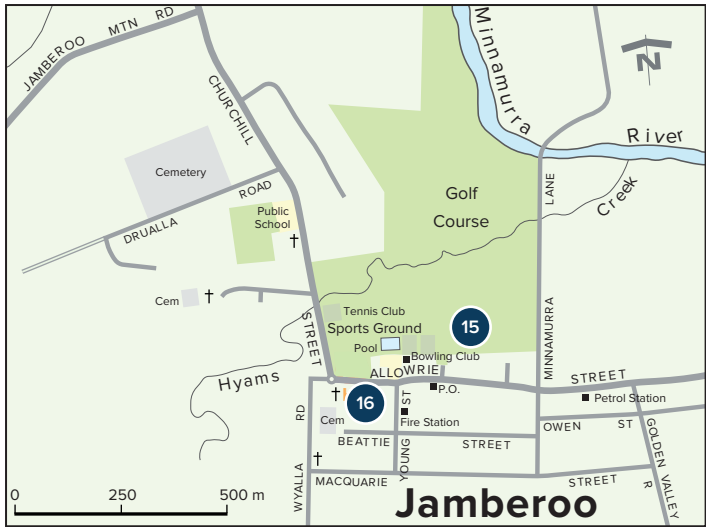

Back indoors, get cosy with a warm cuppa or tasty treat in one of our many quality **cafes**. Or trade coffee for quaffing with a paddle sampler or tasting sesh at our local **microbrewery** or **winery**.

Wet weather is also great for soothing or pampering – you can find your bliss with a relaxing massage, floatation session or day spa experience.

Kiama Library offers modern surrounds and a range of books, games and magazines. Meanwhile, in Kiama and Gerringong you can enjoy an eclectic mix of boutique and homewares stores as well as **art galleries** that feature renowned artists – all promising savvy browsers with brilliant buying in any weather!

Finally, enjoy a heated swim, spa, sauna, gym, court hire and more at the **Kiama Leisure Centre**, or head north to experience a jumbo-sized Qantas 747 tour and aviation history at HARS Museum in Albion Park.

Up this way, your rainy day is also saved with indoor ten-pin bowling, trampolining, go kart and laser tag fun, plus the greater region's main cinema complex.

Plan your adventure

1 Kiama Visitor Information Centre

Discover friendly, knowledgeable, local staff who can help make your stay as enjoyable as possible. Cafe, free parking and toilets onsite. Open 9am-4.45pm daily (except Christmas Day).

2 Kiama Blowhole

Spouting plumes of water high into the air with a great 'whoosh'. Most impressive when winds blow from the south-east.

3 Pilot's Cottage Museum

Step into Kiama's past and discover the maritime and regional museum. Built in 1881.

4 Ocean Pools

Our region's four tidal rock/ocean pools are all unique, offering a safe and relaxing swimming experience away from the surf breaks.

5 Kiama Library & Family History Centre

Conveniently located in central Kiama near the Kiama Railway Station, the library provides residents and tourists with library resources, free wifi and local history information.

6 Historic Terrace Houses

Originally built as housing for the local quarry workers in 1886, these National Trust classified historic buildings now house a unique selection of boutiques and eateries.

7 Kiama Leisure Centre

The centre features two indoor heated pools, a gym, spa, sauna, aerobic area, personal training. Offering school holidays activities. Visitors welcome.

8 Spring Creek Wetlands & Bird Hide

A short walking track around a lagoon and freshwater lake that enables a close up view of waterbirds and rare and endangered green and gold bell frog and flying foxes.

9 Bonaira Native Gardens

Featuring established rainforest species. Explore this magical and peaceful oasis by foot or bike and pack a picnic.

10 Little Blowhole

See a vigorous spray of water emanating from a natural rocky cove and hear the almighty 'whoosh'. Works best when winds blow from the north-east.

11 Bombo Headland

Blue metal quarrying over a century ago has left a legacy moonscape of basalt walls and columns. These are a regular back-drop to video clips and television advertisements.

12 Boneyard

A sheltered pebbly beach located on the northern side of Bombo peninsula. Popular secluded spot for a picnic, snorkelling or standup paddleboarding.

13 Cathedral Rocks

This distinctive rock formation is part of our geologically fascinating coastline. Years of erosion have shaped these volcanic rocks into delightful sculptured forms.

14 Minnamurra River & Headland

Translating to 'plenty of fish' Minnamurra River is not only renowned for fishing but also a popular spot for swimming, snorkelling and kayaking.

15 Golf Clubs

Playing a round has never been more fun with three completely different courses. Choose from Jamberoo Golf Course with its rural charm; a challenging seaside course at Gerringong, or the shorter, flatter all-weather course at Kiama Downs.

16 Jamberoo Pub & Johnny Warren Museum

Not just your average pub. Family owned and operated, this 1857-built pub boasts not only Jamberoo history, but also the Johnny Warren room.

17 Wineries

Crooked River Wines hosts year-round events and has a restaurant onsite; family-run Roselea Vineyard boasts spectacular views. Grab a Shoalhaven Coast Wineries brochure for extra options.

18 Brewery

Gerringong's only micro-brewery, Stoic Brewing, is nestled in the Industrial Estate, easy walking distance from the train station or main street.

Dog beaches and parks

Splash and frolic and one of our three off-leash dog beaches - Bombo Beach, the southern end of Jones Beach (near Minnamurra) and Werri Beach in Gerringong.

Be sure to check the signs to be clear on which part of the beach is allocated for off-leash play, and keep your dog on their leash when accessing the beach.

You can also enjoy the great outdoors together at the many dog-friendly reserves and parks, which also boast stunning coastal views, including:

- Black Head Reserve, Gerroa
- Bombo Headland and Dog Agility Park
- Gerringong Headland

- Minnamurra Headland

Wherever you venture, be sure to pick up after your dog and be a considerate dog owner while visiting.

Instagrammable Kiama

Fill your feed with sundrenched postcards from paradise. The Kiama area's dramatic headlands, plunging clifftops and rolling hills are made to be snapped and shared. Here's where to head to capture it at its best.

Scan here for more information on capturing Kiama

@ Bombo Headland

A much-adored location for sunrise instameet's as well as astrophotography

@ Cathedral Rocks

This natural wonder is an absolute showstopper! Located at the southern end of Jones Beach, the formation of towering basalt columns dates back millions of years.

@ Cabbage Tree Palms

A leisurely drive from Kiama to Jamberoo will provide numerous opportunities to photograph the area's rolling green fields, friendly faces of local farm animals and the iconic cabbage tree palms, a legacy from the Wodi Wodi, traditional owners of the Dharawal Country.

@ Carrington Falls

Three lookouts, all offering slightly different perspectives, means that no matter where the light is, you're sure to get the perfect shot as the water plunges to the rocks 50 metres below.

@ Seven Mile Beach

This is one of the longest beaches on the NSW South Coast, stretching over 10 kilometres from Gerroa at its northern tip to the small town of Shoalhaven Heads in the south.

@ Crooked River Wines

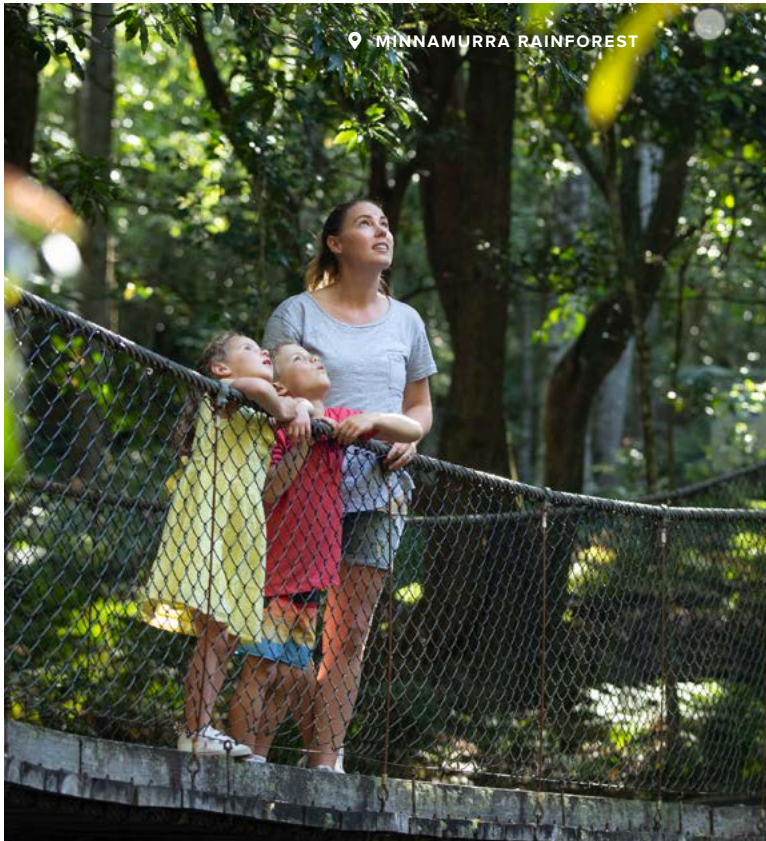

From sprawling lawns, a tree swing overlooking vineyards and rolling green hills, Crooked River Wines is one of the most Instagrammable wineries in New South Wales.

Kiama for families

Your A-Z guide to an all-ages holiday to remember...

- A** is for **Aboriginal Culture** – from dreaming poles to bush tucker, trace our rich Aboriginal history yourself or join Gumaraa 's experienced local guides for a tour of First Nations' culture onboard a canoe!
- B** is for **Bombo** – an awesome headland to explore with rocks that have been used as backdrops in TV ads and music videos!
- C** is for **Cathedral Rocks** – check the tides and this is an easy walk from the south end of Jones Beach. Can you find the cave?
- D** is for **Dogs** – if they're part of your family then they're part of ours! Bring them with you and enjoy the off-leash areas listed page 40.
- E** is for **East Beach** – a great beach for swimming that isn't just for people staying at the holiday park. Easiest access paths (and steps) are via Marsden Street or Tingira Crescent.
- F** is for **Foot Golf** – a fun kid-friendly mix of soccer and golf (with large holes) available at Jamberoo Golf Club on weekends and public holidays – enquire directly to the club.
- G** is for **Geocaching** – an online treasure hunt where you locate hidden "caches" or containers all over the world. The Kiama area has dozens waiting to be found – download the app and get started!
- H** is for **Highest in Australia** – that's the adrenaline-fuelled zipline you'll find as part of the Illawarra Fly.
- I** is for **Illawarra Shorthorn cows** – famous for walking across the road around Jamberoo and causing traffic jams in the middle of nowhere!
- J** is for **Jamberoo Action Park** – open September to April and home to NSW's favourite water slides and rides for all ages – just 15 minutes from Kiama.
- K** is for **Kangaroos** – just some of the wildlife you might spot in the wild, along with echidnas, lyrebirds, pygmy possums and flying foxes.
- L** is for **Library** – a great any-weather spot and home to games, toys, magazines, computers and oh yes, it has books too.
- M** is for **Maze** – you'll find one at Foxground, along with a host of other fun family activities including archery and giant chess.
- N** is for **Nellies Glen** – a refreshing and scenic water-hole atop the escarpment.

- O** is for **Ocean Pools** – there are four to choose from (two in Kiama, two in Gerringong) and they're great for safe salt-water swimming.
- P** is for **Playgrounds** – we have lots to choose from, many with BBQs so you can have a slider with your slide or chicken wings with your swings.
- Q** is for **Qantas 747** – you can tour it at HARS Aviation Museum, just 15 minutes north.
- R** is for **Rays** – stingrays, that is. They like swimming near the jetty in Kiama Harbour. Can you spot them?
- S** is for **Stargazing** – the stars just seem brighter away from city lights, right? So, who can spot the space station? The Southern Cross? Venus? Elon Musk's Tesla?
- T** is for **Traffic Lights** – We have just one set of these in the region. And no traffic jams either (apart from the ones those cows from "I" caused...).
- U** is for **Unplugged** – Kiama is one of the last places where you can actually entertain this notion and get back to nature.
- V** is for **Velodrome** – something you won't need when you explore the Kiama region by bike. Bikes (including e-bikes) are available at Kiama Cycles. See page 19 for rides.
- W** is for **Whooooosh** – the unmistakable sound of the blowholes! If the big one isn't cooperating, head to the Little Blowhole on Tingira Crescent.
- X** is for **X marks the spot** – the perfect spot between the flags where you have decided all the towels will be placed. Right, now it's time for a swim! (See page 63 for the list of beaches.)
- Y** is for **Yewwwwww** – the sound made when successfully standing up on your board at one of Seven Mile Beach's surf schools.
- Z** is for **Zzzzz** – Hopefully the sound after a full day's worth of family fun!
